COME INTO MY OFFICE is the story of JOHN ARCANE, the best geneticist in the world, forced to work for the cruel billionaire REX TOXON after a tragic event in his past leaves him on the run from the FBI. JOHN'S redemption could be his work with fellow scientists BETTY GORDON and VICTOR SECTOR on GOO, a Genetic super drug. But when an accident creates something none of them expected John must chose between his redemption or the ones he loves.

Casting call for

**JOHN** Lead Male Mid-20s Tall and Thin. A shy scientist with a dark past. He struggle between doing the right thing and what his boss wants.

**REX** Lead Antagonist Male Mid-40s Short Fit and Muscular. An ageing billionaire still clinging to his youth. John's boss with sinister plans for his work.

**Victor** Supporting Male Mid-30s. John's coworker, a conniving suck up always looking for a way to complete his pet project and prove his worth.

**Betty** Supporting Female Late-20s. John's Love interest and coworker. A kind woman with a keen mind and a talent for sciences, she is a ray of sunshine in John's bleak situation.

**FBI AGENT** Supporting Male 30s. A FBI agent who's been on the hunt for John.
